# 8<sup>th</sup> grade

## Parent/Student Workshop

Parents/Guardians of (Current) Eighth Graders:

It's hard to believe we are just a little over two months away from your child officially being a freshman. While I know this can be overwhelming, I provide an 8<sup>th</sup> grade Parent/Student Workshop on **Monday, April 19 at 7:00 pm** in Wichers Auditorium to hopefully take away some of the stress of your child entering high school. This meeting is for **both you and your child** to attend so you can hear the same information as sometimes, somewhere from the student to home, there can be a black hole of missing information. Soon your child will be bringing home a copy of the high school master schedule along with a course selection sheet and a registration instruction sheet. The course selection sheet must be signed by a parent before students can begin to create their schedule and they must be registered for the 2021/2022 school year. I will explain more of this process at the workshop, and there will be a question and answer time as well. I am looking forward to meeting you and your child and helping you both through this transition.

Please feel free to contact me at 792-5454, ext. 118 or [jcunard@bcspanthers.org](mailto:jcunard@bcspanthers.org) should you have any questions.

The BCS Builders Club partnered with Parenting Matters this past Saturday for Keep Manatee Beautiful Clean Up Day. Parenting Matters is a local charitable organization that helps strengthen families and prevent child abuse by providing education and support to be effective and loving parents. One of our very own BCS moms, Robin Rowland, works for Parenting Matters and she called upon our BCS

Builders Club to help clean their "adopted" Keep Manatee Beautiful area along Manatee Avenue. The Builders Club students did not mind getting dirty, they found way more trash than expected, and had a great time....a volleyball, basketball, tarp, and gas can were all in the mix, along with 24 garbage bags full of trash. Way to go BCS Builders Club! Thanks for helping keep Manatee County beautiful!
