

## We all know that reading is important!

"A child who reads independently 20 minutes a day outside of the school day will gain 3,000 new vocabulary words per year." (Linda Hoyt)

The Scholastic Read-a-Palooza Summer Reading Challenge is a program designed to be both educational and fun.

Over the course of the summer, students can enter their summer reading minutes online, unlocking digital rewards as they complete weekly reading challenges; and access book excerpts, videos, and other summer-exclusive content.

All summer, every time your Child reads, simply log the minutes on the scholastic website [www.scholastic.com/summer](http://www.scholastic.com/summer). You can also just log the minutes on paper and hand them in to Mrs. Thomas in August when school resumes. Every Child who participates will receive a "secret prize" soon after September 6 when the Scholastic Summer Challenge officially ends.

Every elementary child will bring home information along with their username and password to start logging their minutes. Hope your summer is FUN and FILLED with GREAT READING!!!!

If you have any questions about the Summer Reading Challenge, you may e-mail Mrs. Thomas at [dthomas@bcspanthers.org](mailto:dthomas@bcspanthers.org).
